

2010 CBHSA High Point Awards

The results are in for the 2010 CBHSA High Point Awards!

There were not as many of our members submitting their points in 2010, which is a bit disappointing, but we are guessing that life has gotten in the way in some cases!

Congratulations to all those who have been out competing and have submitted their scores!

Don't forget that the new point score dates are the same as our financial year—1st February to the 31st January the following year..

You can send your point scores/results in to Nikki Chadburn via email, post or submit them via the form on the website.

By the time this reaches you — the winners should have received their trophies!
