Dear Point Scorers,

I have now finalised the point scores for 2007 and if you have any more point scores to send in please do so by end of September so I can organise final trophies for 2007 (Point scores will not be accepted for 2007 after this date) either by email angie@scitech.org.au or post 19 Heard Way Glendalough WA 6016.

Recently you would have had your card returned to you. These results have been accounted for. You should have also received a new card to enter your 2008 results.

Thankyou to all our members so far who have sent in their results for 2007. We are going to be allocating trophies to winners in each category where there are TWO or more competitors and an overall trophy for the person with the highest number of points across all categories which at the moment is Jane Howell in WA!!!

Kind Regards

Angie Kara
